

***Remarks***

The specification is sought to be amended to correct minor informalities, including term consistency, typographical and grammatical errors, and an incorrect drawing reference numbers.

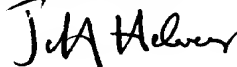

Further, twenty-six sheets of Replacement Drawings for Figures 1-5, 7-8, 10, 14A-14H, 15-20, 21A, 21C-D, 22 and 25 are provided.

In response to the Examiner's Notice of Drawing Inconsistency with Specification dated July 7, 2007, FIGs. 14A-H are filed herewith to replace the previous FIG. 14. The FIGs. 14A-H were part of the original patent application filing on April 30, 2001, so that no new matter is added. It is respectfully requested that the 26 sheets of Replacement Drawings be entered into the application.

The amendment corrects formal matters without changing the scope of the claims. No new matter is added. Accordingly, Applicants respectfully request that this Amendment be entered.

Respectfully submitted,

STERNE, KESSLER, GOLDSTEIN & FOX P.L.L.C.
